ALCALDE

Yearbook of

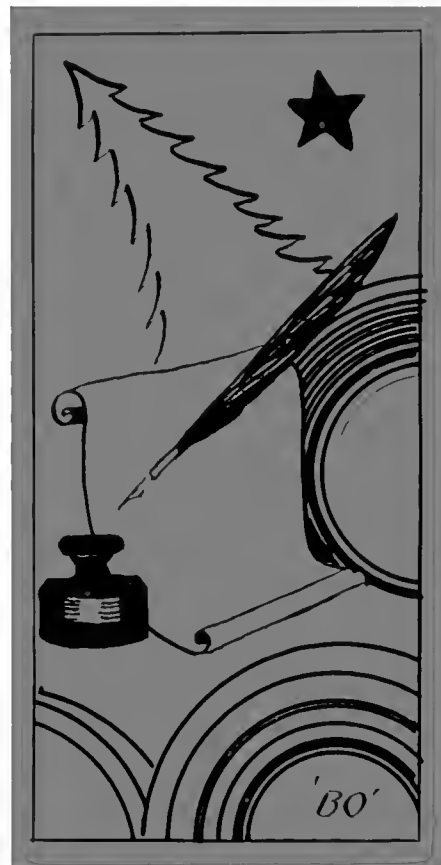

SAM HOUSTON STATE TEACHERS COLLEGE

HUNTSVILLE, TEXAS

FOREWORD

The Staff has endeavored to present, in the 1937 *Alcalde*, college life as it really is, in such a way that one may thumb through its pages in the years to come, and in them arouse a pleasant memory of a cherished day. We have attempted to make the book completely representative of the student body, and hope that somewhere within these pages one may find depicted every one connected with the school. If this volume is adjudged successful in the eyes of our fellow students, we are overjoyed, and if a failure, will humbly say that we enjoyed trying.

DEDICATION

TO PRESIDENT HARRY F. ESTILL

The great Christian man, who, with clear vision and firm hand, has directed successfully the growth of Sam Houston State Teachers College since 1908, this 1937 edition of the *ALCALDE* is affectionately dedicated.

Throughout these years he has brought light to dispel the darkness of ignorance, strength to the weak, courage to the timid and fearful, inspiration to all.

His uniform courtesy, his wisdom and tact, his friendliness and loyalty, his justice and integrity have endeared him to every associate, and made of each a friend.

*"Through such souls alone,
God stooping shows sufficient of his light
For us in the dark to rise by."*

THE SCHOOL

Ode to Sam Houston College

•

I have seen your sloping campus
Dappled grey and brown,
While in the valley autumn swirled
Her colors in the town.
I have seen the Spring march up your hills
With unfurled flag of green,
And summer throw across your walls
A glorious golden sheen.
I have heard your voices in the wind,
Mother of hungry minds
And from your many-windowed eyes
Has flashed a light that blinds.
I have heard your footsteps down the years,
Sure, and swinging-slow,
Climbing the tilted paths of hills,
From out the depths below.
I have fallen on my knees to breathe
Your fragrant purple sod,
And sometimes in your shadowed halls
I walk and think with God.
Out of your breathless, eager youth,
With the wisdom of your age,
With one the ink, the other, pen,
You shall write a shining page.

PRESIDENT'S MESSAGE

TO THE CLASS OF 1937:

Last year your predecessors, claiming the proud title of "The Centennial Class," joined all other Texans in celebrating the one hundredth year of the political independence of this commonwealth. As another commencement day approaches, I salute the Class of 1937 as the Pioneer Class of a New Century in the history of Texas. As pioneers, you are trail-blazers in a new era that has for its ultimate goal the solution of problems, economic, social, governmental, spiritual, that confront the world today, with tremendous and growing significance.

In a recent book, "The Return to Religion," whose author is neither a preacher nor a teacher, but a practical scientist, there are some thought-provoking statements that I quote for your earnest consideration:

"In spite of the great benefits which the physical sciences have bestowed on mankind—a longer life, a more comfortable life, a life more free from physical pains, and a life filled with an infinite variety of interesting objects and educational experiences, there is no evidence that individuals are happier, that families are more united, that governments or political bodies are wiser, or that nations are less likely to go to war."

Herein is a challenge to you who stand upon the threshold of the new era. What's wrong with our social order is not primarily economic nor governmental nor intellectual. The supreme challenge is for right emphasis upon spiritual values—"belief in God, belief in a divine moral order expressed in the Ten Commandments and in the life and teachings of Christ, acceptance of the Church as the chief (even though imperfect) vehicle of religious truths that are greater than science, and values that are higher than reason."

" . . . There is need for positive convictions on matters of basic right and wrong; for the subordination of intellectual arrogance to the discipline of the unselfish life."

There is need to know that "religion is not the refuge of the weak but the weapon of those who would be strong."

This is the challenge of the New Century to the Pioneer Class of 1937.

Sincerely, your friend,

HARRY F. ESTILL

PRESIDENT ELECT

Charles N. Shaver, President-Elect, is no stranger to Sam Houston State Teachers College. In 1908 he received the Normal diploma and in 1922 the bachelor's degree. Since that time, Mr. Shaver has served as Superintendent of Huntsville Public Schools, State Superintendent of Public Instruction, President of Texas State Teachers Association, President of Sam Houston Ex-Student Association, President of Federated Students Association, and Representative in Texas Legislature, two Terms.

Throughout his career his chief interest has been in bettering the education facilities of the youth of Texas, and to accomplish this aim he has labored tirelessly. It is our sincere hope that in his new role as President of Sam Houston State Teachers College, he will be able to fulfill his every dream, and soar to new heights in the educational field.

DEAN'S MESSAGE

MY FRIENDS:

The year is done!

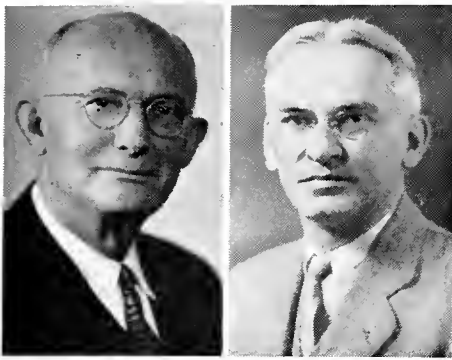

You have discovered here at Old Sam Houston that a true college is a place where the spirit of youth finds the best chance in the world to experiment with life, to plumb its depths, to climb its heights, to listen to the noblest voices of the past, to tune in with the most challenging voices of the thrilling present, as well as to heed the inner call of the spirit of youth itself.

I congratulate you that you have enjoyed the privileges of this great college, have enjoyed its resources; and have contributed no small share to its developing life and future history. The College has furnished for you a beautiful world of friendships and an ideal forum for developing character, the keenest sympathy for all good causes, and a sense of brotherhood which knows no limits of faith, nation, vocation or profession.

As you become a part of that great functioning citizenship of the American Union, it is my wish that you will have no small task to perform, that your years will be well-laden with that type of service which enriches not only those who are served but also you who render the service.

IN MEMORIAM

PROFESSOR JOE PRITCHETT

To most of us who knew him, Professor Pritchett's outstanding characteristic was the bigness of his heart—his sympathy with sorrow and suffering, his spirit of tireless service, his genuine love for his fellow-man, regardless of social station, race or color.

PRESIDENT H. F. ESTILL

Mr. Hathorn was one of the most valuable members of the college staff. He combined scholarship, high character, attractive personality, and rare teaching ability. His death is a great loss personally and professionally.

MRS. FRANKLIN D. ROOSEVELT

The city of Huntsville and the college were indeed fortunate in having so noted a visitor as the wife of our beloved President, Mrs. Franklin Delano Roosevelt. Mrs. Roosevelt is a noted authority on the problems of youth, and an accomplished lecturer. Due largely to the efforts of Mrs. Percy V. Pennybacker, an intimate friend to the First Lady, Mrs. Roosevelt consented to include our college on her limited tour of the Southwest.

VANITY FAIR

BEAUTIES

March 22, 1937

Mr. Ralph Coker
Associate Editor, 1937 ALCALDE
Sam Houston State Teachers College
Huntsville, Texas

Dear Mr. Coker:

The photographs of the ALCALDE beauty candidates were mailed to you today under separate cover.

Frankly, I had some difficulty in making the selections inasmuch as all the entries were very attractive, so called upon Jimmy Lovell of the Dallas Times-Herald to assist me.

After due consideration we selected the following girls in the order named: Miss Elizabeth Ann Amsler, Miss Fan Leigh, Miss LaVera Burr, Miss Ann Montgomery, Miss Ruby Nell Cheatham, and Miss Mary Lee Kenley. It is with much regret that some of the girls had to be omitted, for they are truly deserving, but the specifications should have called for sixteen selections rather than six.

I wish also to take this opportunity to thank you for giving me the honor of being one of the judges, and hope that I may have the privilege of acting so again some time.

Sincerely,

Herbie Kay

The 1937 Coronation

In an impressive ceremony held in the mens gymnasium, Miss Dorothea Francis was crowned Queen of Sam Houston, and Rex Cruse King. The gym was beautifully decorated with the theme of spring being depicted throughout. The royal family entered the court through two archways bedecked with wisteria.

The court was presented in the following order: Prince Jeff Nickelson and Princess Opal Runnels, Duke Tommy Cortemeglia and Duchess Woermann Gibson, Duke Ralph Coker and Duchess Ruby Nell Cheatham, Duke Charles Quinn and Duchess Ann Montgomery, and Duke Clarence Thomas and Duchess Oralene Milligan.

Visiting duchesses were Priscilla Townsend, Lamar Junior College, escorted by Terrell Newberry, Bonnie Luscher, Houston University, escorted by William Olbrich, and Esterlene Blacksher, Stephen F. Austin, escorted by Nat Davis.

The royal party was completed by Little Misses Lenora Ann Murray and Suzanne Davis as trainbearers, and Mr. H. O. Crawford, Jr. as crown bearer. Dr. James Gee acted as Master of Ceremonies.

For the first time in years the 1937 Student Body of Sam Houston showed signs of life, and really gave the athletic teams an inspiration by supporting them throughout the year. This renaissance of student spirit is due largely to the labors of Head Yell Leader, Kirby Walker, and his capable assistants, including Bo Burton, J. B. Gatlin, Dolores Fuste and Jane Litherland. These children of old Sam Houston are deserving of much credit for their spirited leadership in the field of pep, and they have succeeded in a measure, in instilling their energetic loyalty into the hearts of their fellow students.

For efficiency and general ability the coaching staff of Sam Houston State Teachers College is second to none in the conference. Under the splendid leadership of Athletic Director Joe Kirk, and the co-operation of Coaches Crawford, White and Koy, athletics and physical education have been truly getting a new deal. Coaches Crawford and Koy made a creditable showing with the football team, despite the fact they were seriously hampered by the old injury jinx. In basketball, Coach White in his first year lifted the Bearkats from the cellar of the Lone Star Conference to a tie for the championship, and his team had a perfect record in non-conference competition. The tennis team under Coach Kirk was one of the best in years, and Coach Crawford's track team made a creditable showing.

BEARKATS 6 — TEXAS A. & M. 39

The Bearkats pried the lid of the 1936 football season in a vain but valiant effort to stop a powerful team of Aggies. Though the score was 39-6 in the Aggies favor, the Sam Houston boys displayed unexpected strength in some phases of the game, and gave evidence that they would be hard to handle in their own conference.

Roy Stockton, fleet halfback from Houston was the bright light in the Bearkat read cordon, and provided Sam Houston's only score with a fifty yard trek to the pay station, after taking a beautiful pass from Fred Clarke.

In the line Oscar Huggins at end, and "Skinny" Archer at tackle, were outstanding on defense, and Co-Captain Jeff Nickelson turned in a fine performance at center.

The Bearkats invaded Ada, Oklahoma on October 2, and defeated East Central Teachers College in a most convincing manner. The final score was 28-0, and the Bearkats appeared to be at top form as Charlie Quinn, Dike Rose and mates proceeded to run the Oklahoma boys ragged.

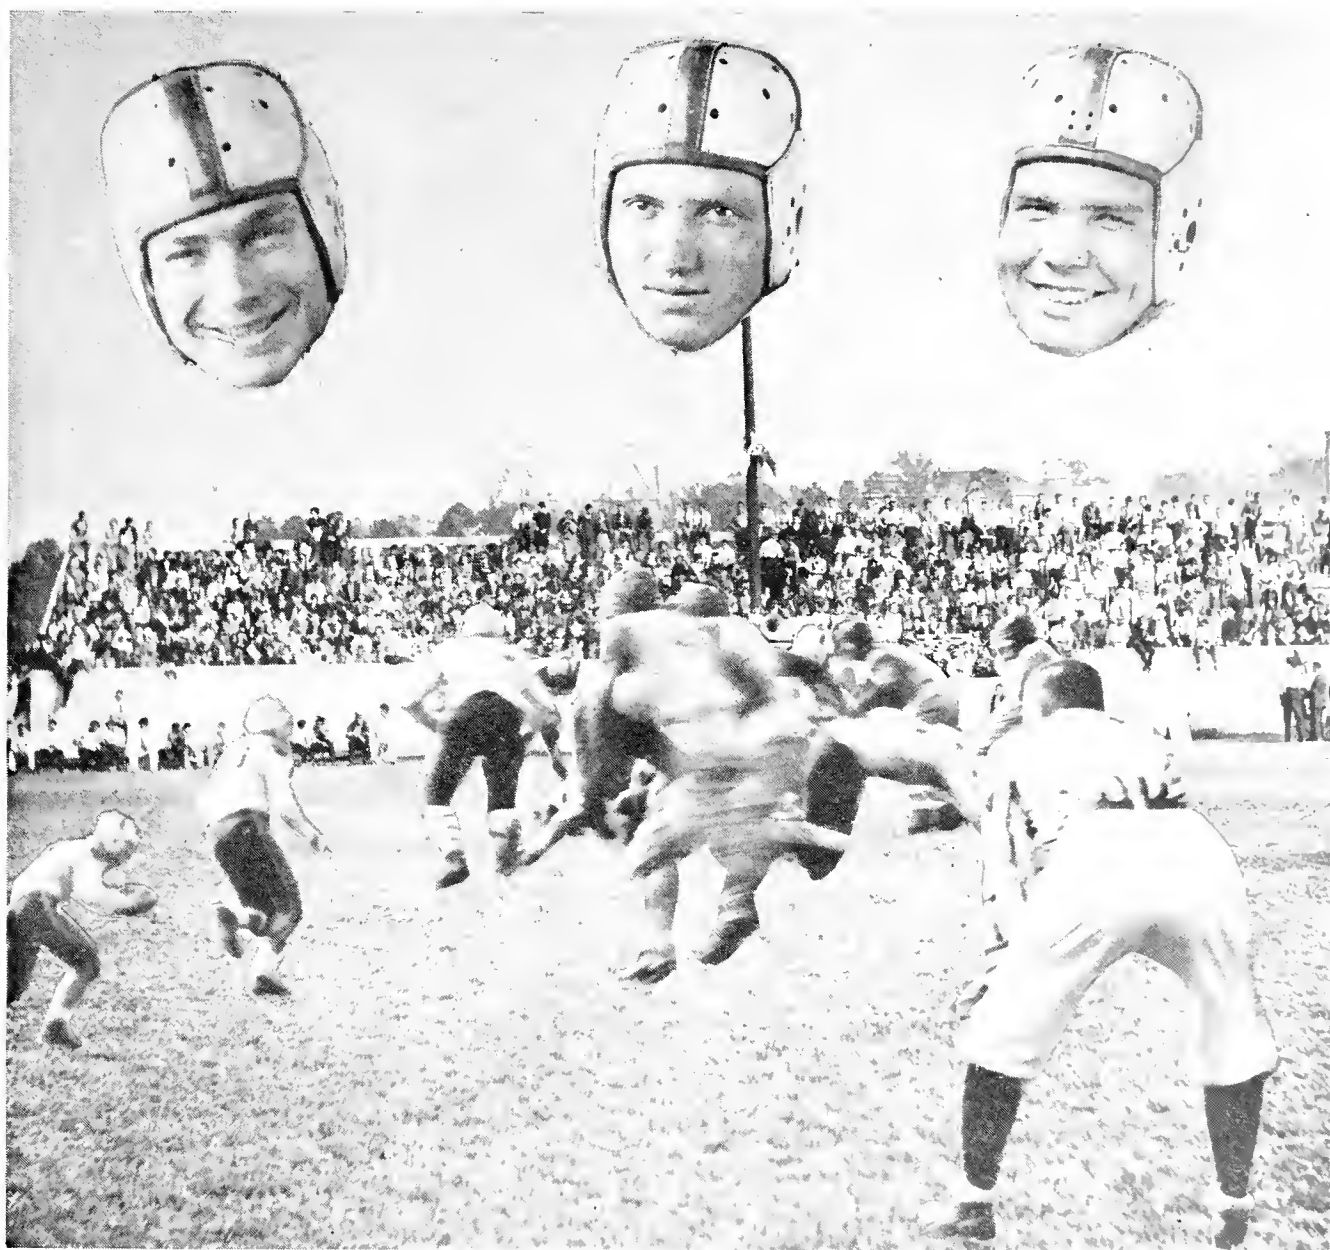

Quinn galloped thirty-five yards on the first play of the game and from then on, the outcome was never in doubt. Bob Madeley and "Chink" Kivell each displayed power on defense by backing up the line in flawless style.

In the line, Jack Williams and Jeff Nickelson were outstanding, along with "Rookie" Reimer, who caught a pass and galloped thirty-five yards for the third Kat score.

BEARKATS 14 — LAMAR 0

In their next game, and the first of the season on Pritchett Field, the Bearkats defeated a scrappy band of Cardinals from Lamar College, Beaumont, 14-0. The Cards opened the game as aggressors, outplaying the Kats in every department, and not until a costly fumble in the closing minutes of the first quarter did the Bearkats get the upper hand.

Dike Rose placed a beautiful punt out of bounds on the Lamar ten yard line, and the Cardinals fumbled on the next play, Sam Houston recovering. In two plays Rose rammed the line for the touchdown, with Swede Hill converting the extra point to make the score 7-0 for Sam Houston.

The second score came as a culmination of a sustained seventy yard drive, with Rose again going over for the touchdown, and Hill again making the extra point, to end the scoring for the day.

BEARKATS 0 — EAST TEXAS 27

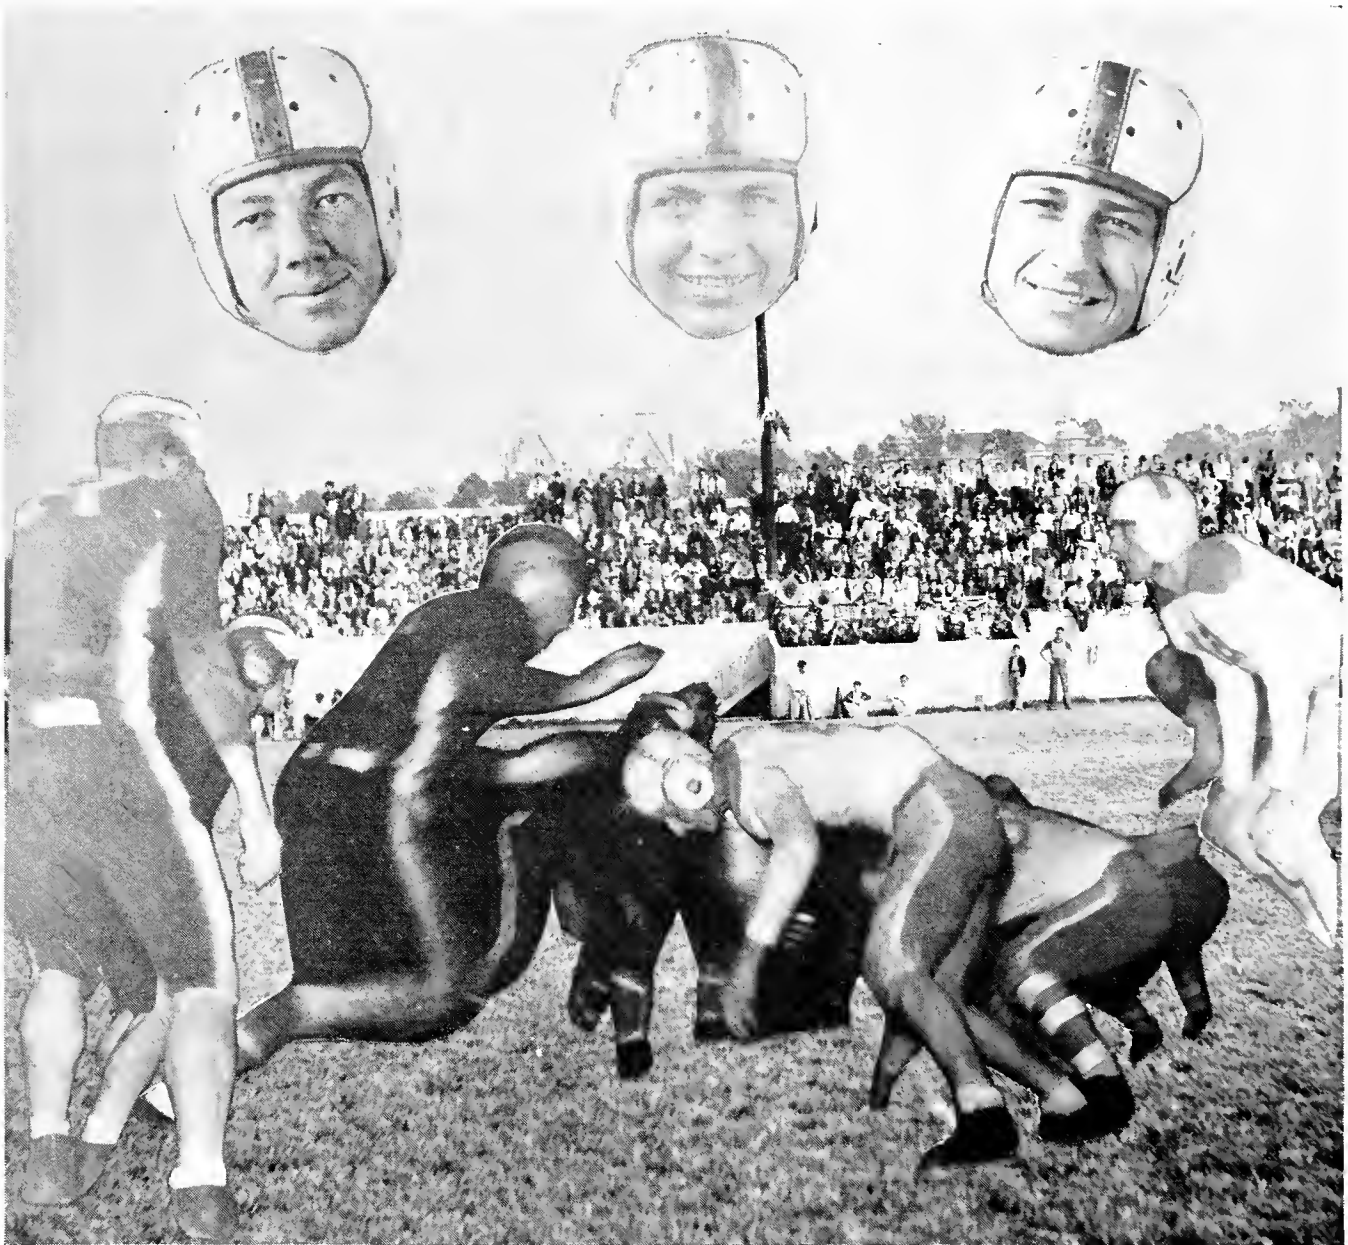

Sam Houston opened her conference season most ingloriously, going down to a 27-0 defeat at the hands of the powerful East Texas Lions at Commerce. Beginning with a fluke touchdown in the first five minutes of play, the Lions went on to dominate the game throughout, as the vaunted Bearkat defense crumbled.

The bright light in the Bearkat defeat was the superb defensive play of "Chink" Kivell, and the punting of Dike Rose, which time after time pulled the Sam Houston team out of holes. Jeff Nickelson played his usual steady game, but it seemed to be the Lions day, as the Bearkats every effort went for naught.

The Bearkats were unable to muster any goal line punch against Southwestern Louisiana Institute at LaFayette, and lost a heartbreaker, 7-6. Sam Houston placed the ball in scoring position after time only to be repelled after reaching the shadows of the Louisiana goal posts.

The Kats score came as the result of a pass from Fred Clarke to "Chink" Kivell, who raced thirty-eight yards to cross the goal line.

Luke Hall, veteran tackle from Willis, was outstanding in the line, as he turned in sixty minutes of sparkling football.

By now the old jinx had caught up with the Bearkats, and weakened by injuries, they were subdued 14-0 by a heavier Southwest Texas team on Pritchett Field. The Kats played some great football but just could not get the breaks, as the Bobcats scored in the second and third periods to gain a victory.

The Bearkat line played superbly, with Jim Di Iario and "Stumpy" Bumpers flashing at the guard posts. "Bus" Lowe and "Rookie" Reimer were outstanding at ends, as were Jack Williams and "Skinny" Archer at tackle.

It may well be said that the score in the game was Sam Houston 7—Johnny Stovall 27, for the loose hipped lad from Denton ran over, under, through, and around the Bearkats to lead the Eagles to an astonishing victory. The Kats were able to repulse the North Texas boys at will, with the exception of Stovall, whose punt returns and end runs were phenomenal, as he accounted for all the enemy points with long runs.

For Sam Houston, the entire team played creditable football, with Roy Callahan being the outstanding threat. It was "Cally" who slipped off tackle to provide Sam Houston's only touchdown, and time after time he broke away for nice gains to keep the Bearkats in the game.

Scoring their only touchdown in the first minutes of play, the Bearkats were defeated by the strong Rice Owls, 34-7, before a crowd of five thousand at Houston.

Led by Roy Callahan, the Bearkats scored on a sustained drive from mid-field early in the first quarter, with Kivell finally going over for the touchdown after taking a pass from Callahan. Dike Rose place-kicked the extra point to make the score 7-0 in favor of Sam Houston, and it looked bad for the Owls. Rice soon took command of the situation, however, and went on to score a decisive win.

Callahan, the Livingston flash, was a thorn in the Owls side throughout, as he sliced off the Rice tackles with monotonous regularity. In the line, Nickelson, Hall, De Irio and Archer were outstanding for the Bearkats.

BEARKATS 6 — STEPHEN F. AUSTIN 7

As a perfect climax to an ill fated season, the Bearkats lost to the Stephen F. Austin Lumberjacks, 7-6. The boys from the Pincy Woods pushed over a touchdown on the last play of the game, and scored the winning point after the whistle had blown, on a place kick that hit the cross bar and barely managed to drop over for the winning majority.

The Kats literally fought their hearts out, and paced by Callahan, Rose, and Marvin Jones pushed the Jacks all over the field, and appeared to have the game on ice, only to have their dreams shattered in that fateful last minute of action.

If next year's team will carry on in the same fighting way in which the 1936 aggregation closed out its season, we can hope for a conference championship, for when one gives his very all, whether he has won or lost, the breaks are bound to come his way sooner or later.

FRESHMAN FOOTBALL

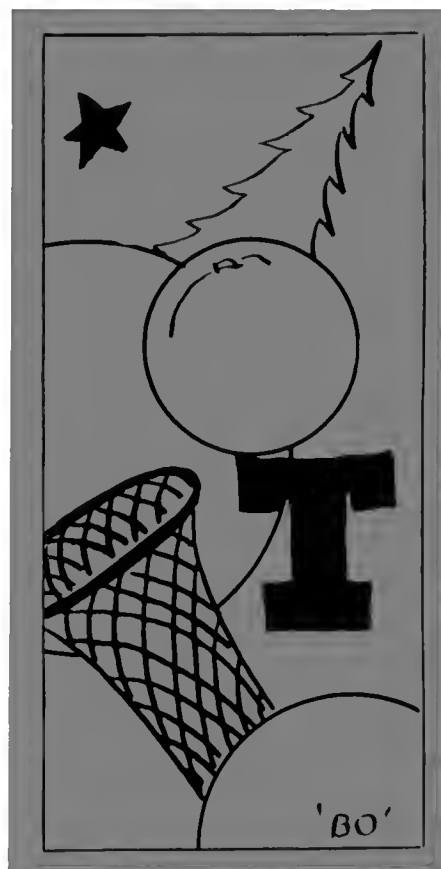

Coach Clyde White put the Freshman gridiron prospects through their paces in grand style. Critical football fans smiled as they witnessed the smooth working team composed of future Bearkats. A combination of fast running and heads up lateraling, featured such backfield performers as Barfield, Adcock, Metcalf, Jones and Galloway. Outstanding in the fast charging forward wall were Elliott, Pollard, Tippen, Willis, Smith, Estlinbaum and Reed. Upon closing a successful season the freshmen are looking forward to the varsity competition of next year. The training that Coach White gave in building the strongest freshman team to play for the Orange and White in many years will be carried over as freshman gridsters invade the varsity lineup next year.

The 1937 Basketball Season

The Bearkats enjoyed one of the most successful basketball seasons in the history of the school in winning eighteen games, while losing only two. The two defeats came at the hands of conference foes, and Sam Houston ended the title race in a first place tie with the Nacogdoches Lumberjacks.

Clifford Dotson lead the conference scorers with a total of 102 points, amassed during eight games, and was unanimously selected on the all-conference team. Bus Lowe, stellar guard, was also placed on the mythical team, while Bill Bitner and Mack Runnels were placed on the second team. To Alvis Bolton should go much praise for his undying spirit and inspiring leadership.

The Bearkats had a perfect year in non-conference competition, winning twelve games in as many starts. Javelinas, whom they defeated four times.

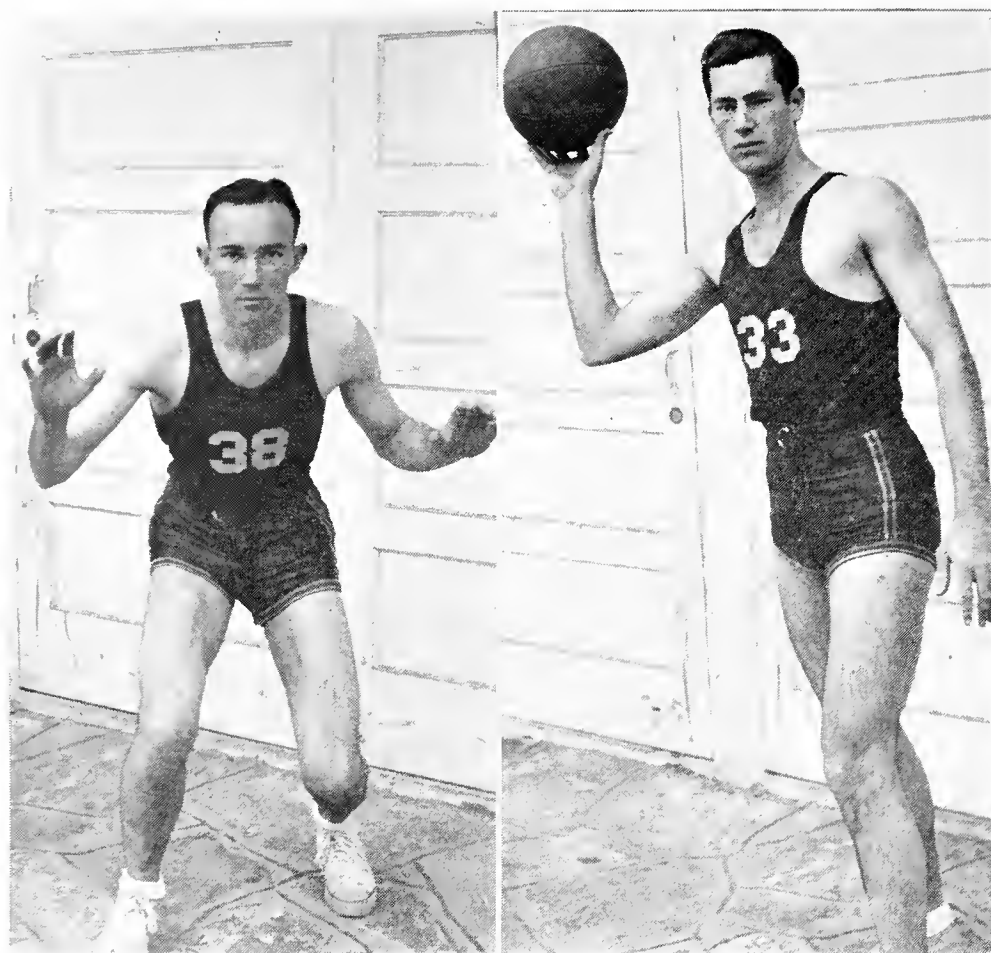

Conference Games

BEARKATS 40—

SAN MARCOS 26

After compiling a most enviable record in non-conference games, the Bearkats opened the title race in an equally impressive manner by trimming a veteran San Marcos Bobcat five 40-26. San Marcos entered the game the slight favorites, but Coach White's smooth working quint soon took a commanding lead which they never relinquished.

Clifford Dotson again proved his ability by scoring 17 points while preventing Captain "Red" Connor of the Lions from scoring a single field goal. Bitner covered the floor in flawless style, as Runnels and Lowe continued to stand out on defense.

BEARKATS 28—SAN MARCOS 33

San Marcos proved more adept from the foul line than the Bearkats and downed them 33-28 in a slow game played at the Southwest Texas Gym. Sam Houston was sadly off form in this tilt, and were apparently travel-weary. The outcome of this game was later reversed when it was learned that San Marcos used an ineligible player, giving the Bearkats new life in the conference race.

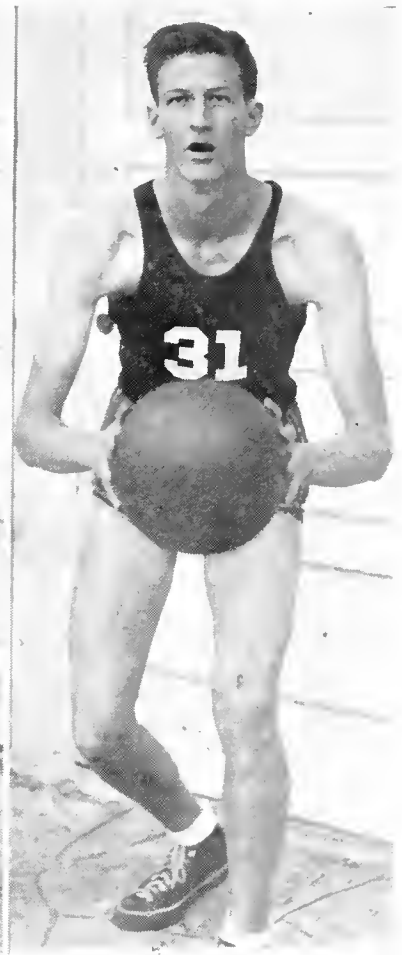

BEARKATS 33—DENTON 25

Smashing the net from every angle, Coach White's Bearkats fought their way to a well earned 33-25 victory over the Denton Eagles. This victory placed Sam Houston in a tie with Nacogdoches for the first place in the conference standing.

Floyd Dotson, determined that his family name should stay in the limelight, teamed with Bill Bitner to pace the Bearkat scorers as they tallied seven points each.

BEARKATS 25— NACOGDOCHES 40

The Bearkats title hopes received a severe jolt as they received a crushing 40-25 defeat at the hands of the Lumberjacks in Aikman Gym. The game was played under adverse conditions as an overflow crowd lined the playing court, decidedly hampering the play of both teams.

To add to the worries of Sam Houston, Bus Lowe and Mack Runnels were both ejected from the game via the foul route, to leave the Bearkat defense decidedly crippled.

BEARKATS 35— COMMERCE 57

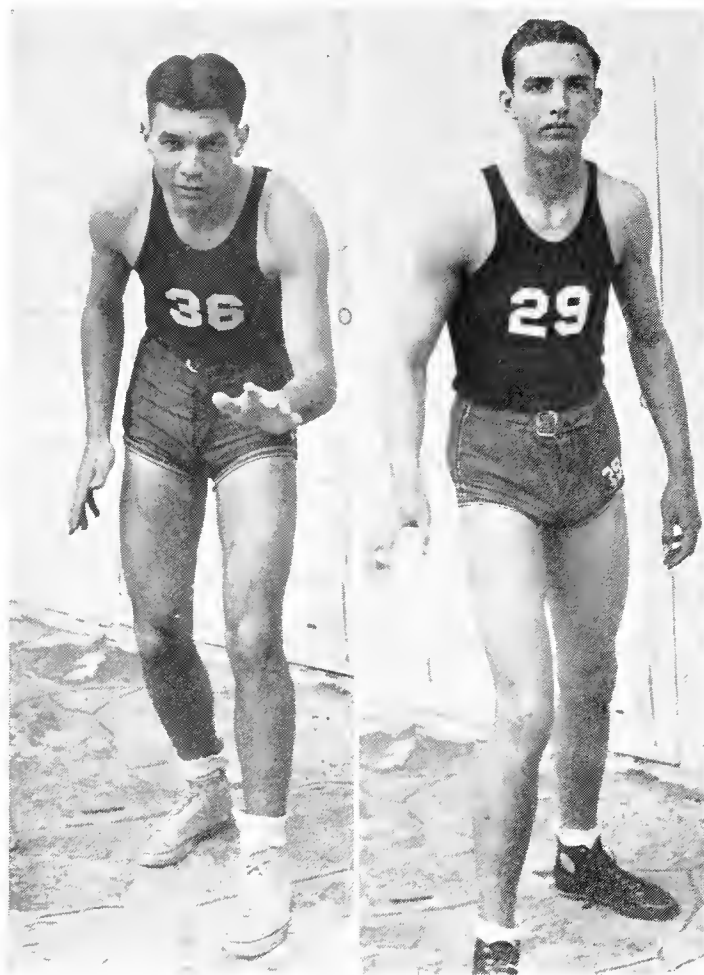

Following the defeat at the hands of Nacogdoches, the Bearkat hopes for a championship were dropped even lower when they were soundly trounced by the Commerce Lions, 57-35. The only consolation was that the Lumberjacks were defeated at Denton, and Sam Houston could still earn a tie by winning the two final games against the Denton Eagles, and Nacogdoches—a big assignment for any team.

This victory paved the way for a grand finale between the Bearkats and Lumberjacks, with a Sam Houston win giving them a tie for the championship.

Against the Eagles, Cliff Dotson continued to add to his scoring lead by accounting for 14 of the Bearkats points.

BEARKATS 43—NACOGDOCHES 34

In a fitting climax to a great season, the Bearkats defeated Nacogdoches 43-34 to earn a tie for the Lone Star Conference Championship. It was sophomore Johnny Puckett who paced the Kats to the sweetest victory of the year. The Jeff Davis (Houston) product scored fifteen points and covered the floor like a blanket, while Mack Runnels and Bus Lowe collaborated in holding the highly touted 'Jack forwards under control.

Sam Houston began the 1937 track season with the prospect of a winning team, as most of the dependables of a not too successful 1936 team had graduated, and there was very little new material to work with.

Leading the contingent of known men were Charlie Quinn and Mack Runnels, dash men par excellence and co-captains. Other holdovers from the 1936 squad were Keeton Teddlie, a dependable weight man, and John Ellisor, a capable middle distance runner.

New men expected to do things for the Bearkats are "Indian Jim" Di Iario, Jack Williams, and Conrad Brown, a trio of husky weight heavers who may develop into real stars before their track careers are closed. Charles Moore is probably the most promising distance runner on the squad and gives promise of being a consistent point winner.

"Soupy" Mize may be a sensation in the high jump if his early season form is an indication. This lanky lad from Bedias, Texas consistently clears the bar at six feet and better, and during the next two years should score many points. Tom Williams, Erwin Vickers, and Jack Clark are all runners of uncertain ability, but are willing workers with a real winning spirit.

Under the guiding hand of Coach Molly Crawford, it is safe to say, that no matter how sparse the material, the Bearkat tracksters will give all opponents a run for their money.

TENNIS

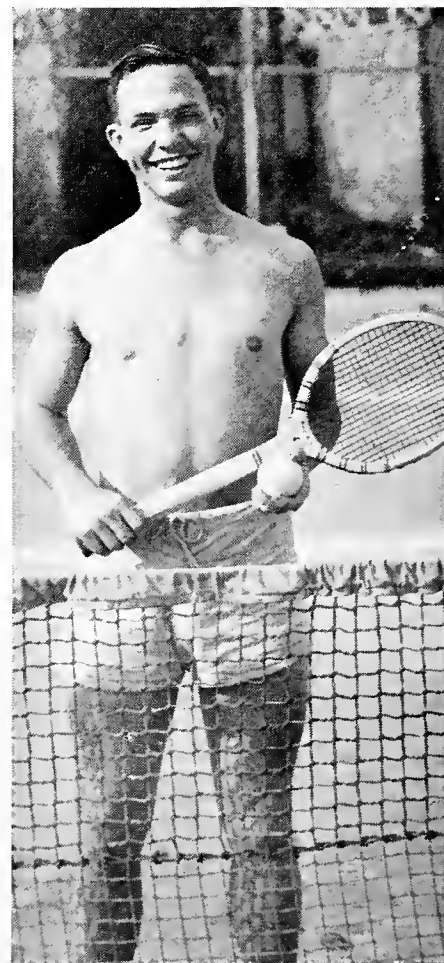

TENNIS

The 1937 Tennis Team promises to be a serious contender for Conference Championship, with two veterans from last year's team being among the outstanding men in the league.

JEFF NICKELSON, of Franklin, has an excellent chance of copping the singles crown this year, and teams with Bunting to form the number one doubles combination. Nickelson is playing his third year on the varsity, and with his experience and proven ability is a serious threat in any tennis match. In early season encounters, he played brilliantly, and won the majority of his matches against such teams as A. C. C., Texas A. & I., and Trinity University.

R. L. BUNTING, JR. alternates with Nickelson in the number one singles position, and he too, is playing his third year on the varsity, during which time he has been one of the most feared men in the conference. A driving player, Bunting covers the court in tireless fashion, and has a knack for wearing his opponent down, and then going on to win as he pleases.

Though only a sophomore, FRED-
DIE HLUCHAN has already proved a
valuable asset to the Sam Houston
Tennis Team. Having the reputa-
tion of being the hardest driver on
the squad. Hluchan is fast and tire-
less, and after a year's experience
in varsity competition, should be
hard to stop next year.

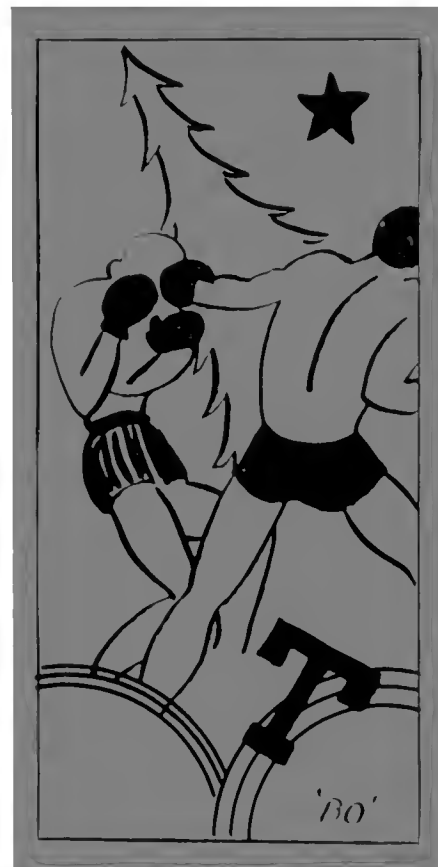

WOODROW HLUCHAN is a senior
but is playing his first year on the
varsity tennis team. The Sealy pro-
duct, while not the star of the team,
is a steady dependable man, and has
been a great help to the squad
throughout the season.

A capable performer and fine shot maker, HUBERT BARNETT rounds out one of Sam Houston's best balanced tennis teams in years. Though slight in stature, Barnett has plenty of stamina, and a coolness on the court which is not present in many more experienced players. Hubert is only a sophomore and great things are expected of him before he completes his career at Sam Houston.

In early season matches, the 1937 Bearkat Tennis team gave promise of being one of the best in some time. In the opening encounter they lost to a powerful Abilene Christian College team after a hard struggle. Then came successive victories over Texas A. & I., and Trinity University, and Coach Kirk's charges apparently were improving with each match. The play of Nickelson and Bunting, who alternated at the number one and two positions was an outstanding feature, and the Hluchan brothers, Barnett and Matthews, performed in a most gratifying manner.

BOXING

Ray Bumpers

Out of a meager crop of Intramural boxers emerged one star who seems destined to reach the top in the manly art of self-defense. This young pugilist is Ray Bumpers, of Houston, who in his first year as a boxer has won the Bantam-weight Championship of Texas, and reached the quarter-finals in the National Golden Gloves Tournament held in Chicago. Ray entered a total of four major amateur tournaments during the year, and his defeat at Chicago is the only one to mar his record so far.

Sam Houston should be proud of this young man, who has carried the name of his school so high, and he should gain many more honors before his college career is ended.

EX-STUDENTS' NEWS LETTER

VICTORIA FRELS

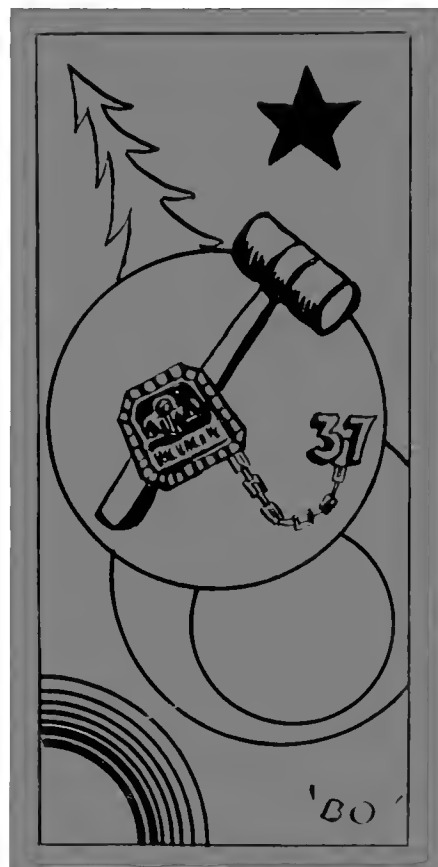

MAMIE LISTER

The *Ex-Students' News Letter*, a descendent of *The Exy*, came into being in November of 1926, with Miss Victoria Frels as editor and Miss Mamie C. Lister as associate editor. The Letter is sent to all alumni and ex-students free of charge. The first issue was sent to 500 former students for whom we had addresses, more or less correct. For the first six years the Letter was published every other month, making six issues for the year. During the summer of 1932 the editors were away from the campus, so the Letter was not written. Since that time the College has found it more satisfactory to issue the Letter five times a year: February, April, June-July, October, December. In the summer many teachers are not at their regular place of work, so many Letters are either returned or destroyed. The February Letter was mailed to 8,500 addresses. About one hundred were returned, chiefly because the individual had moved and had left no new address. Sam Houston State Teachers College boasts of an alumni-ex-student total of around 30,000. We are constantly adding names to our mailing list through the help of friends.

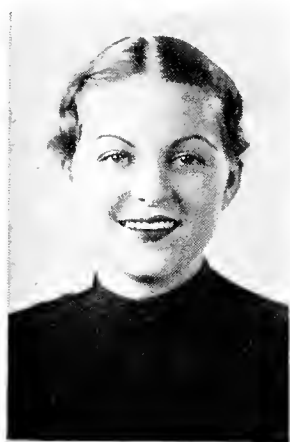

When you go away from the campus, let us know where you are and always keep us informed of your accomplishments so we can keep your friends informed.

"Y" CHRISTIAN ORGANIZATION

Standing for Christian ideals, service, and fellowship, the "Y" Association has striven throughout the year to bring these values into the life of the campus through regular meetings, devotionals, socials, retreats, and conferences.

An all day retreat, a Freshman "welcoming party," a banquet and a picnic in the spring, were the outstanding social affairs. The "Y" was fortunate in having Dr. Samuel Guy Inman, as the guest speaker for the banquet. Dr. Paul Weaver was another outstanding visitor of the Christian Association.

Two days were spent in Houston at a Cabinet Training Conference by a large group of officers and members. Three delegates were sent to Hollister, Missouri, to the Southwestern Conference. The years work will be climaxed by sending two delegates to Blue Ridge, to attend the Training Conference.

Pi Kappa Delta, together with the Huffor Club, actively promotes public speaking and debating on the campus. The debate question, upon which the club spent the major part of its time, was: Resolved, that Congress should be empowered to fix minimum wages and maximum hours in industry.

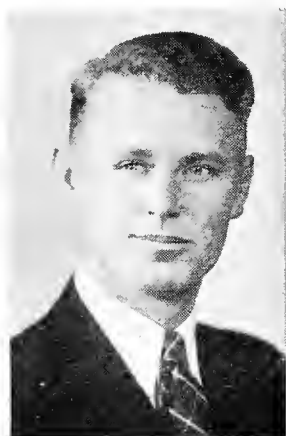

Early in April the debaters journeyed to Clarksville, Arkansas, where the provincial tournament of Pi Kappa Delta was held.

On every occasion the debaters have upheld the prestige of Sam Houston, and promoted fellowship and friendship among other colleges.

In planning the years social calendar the committee has strived to provide diversion for every student. It is a difficult task to plan an event that all will enjoy, and to take care of this situation, many various social functions have been offered, among them the college dances, the amateur programs and open houses.

(The following are excerpts from the popular *Houstonian* column adjudged to be the best of the year.)

John Ardy Ellisor: "What does Mozelle say at the end of her prayers?"
Nettie Marie Hill: "Ah, men!"

Madge Bennett: "So you run a pet shop?"
Joe Parish: "Yes Ma'am, I can supply you with any kind of gigilos you want."

We note that "stars will be uncovered in the amateur contest." Going Sally Rand, eh?

Ione Jones (to garbage man): "Am I too late for the garbage?"
Garbage man: "No ma'am, jump right in."

Edgar Turner: "My, this suit of mine is tight! I feel as if I were poured into it."
LaVerne Bruns: "Yes, and forgot to say when!"

Marion Boone: "I washed my face with a tooth brush tonight."
Vermille Young: "Why?"
Marion Boone: "Amateur night, couldn't find my mouth."

John Sublett: "Those two hour lectures always make a new man of me."
Frankie Angier: "You mean they give you something you've been lacking?"
John Sublett: "Yes, sleep!"

"A girl who is all wet dampens a fellow's enthusiasm."

"Dentists are men who bore you to tears."

Dr. Gee: "Can you tell me one of the uses of cowhide?"
Bradford Bing: "Yes, it keeps the cow together."

Mr. Evans: "Mr. White, correct this sentence, "Girls is naturally better looking than boys."
Billy White: "Girls is artificially better looking than boys."

A girl on the stage doesn't find it so difficult to behave, it's when she gets outside the stagedoor.

"Have you heard about the six day bicycle rider who was arrested for peddling without a license?"

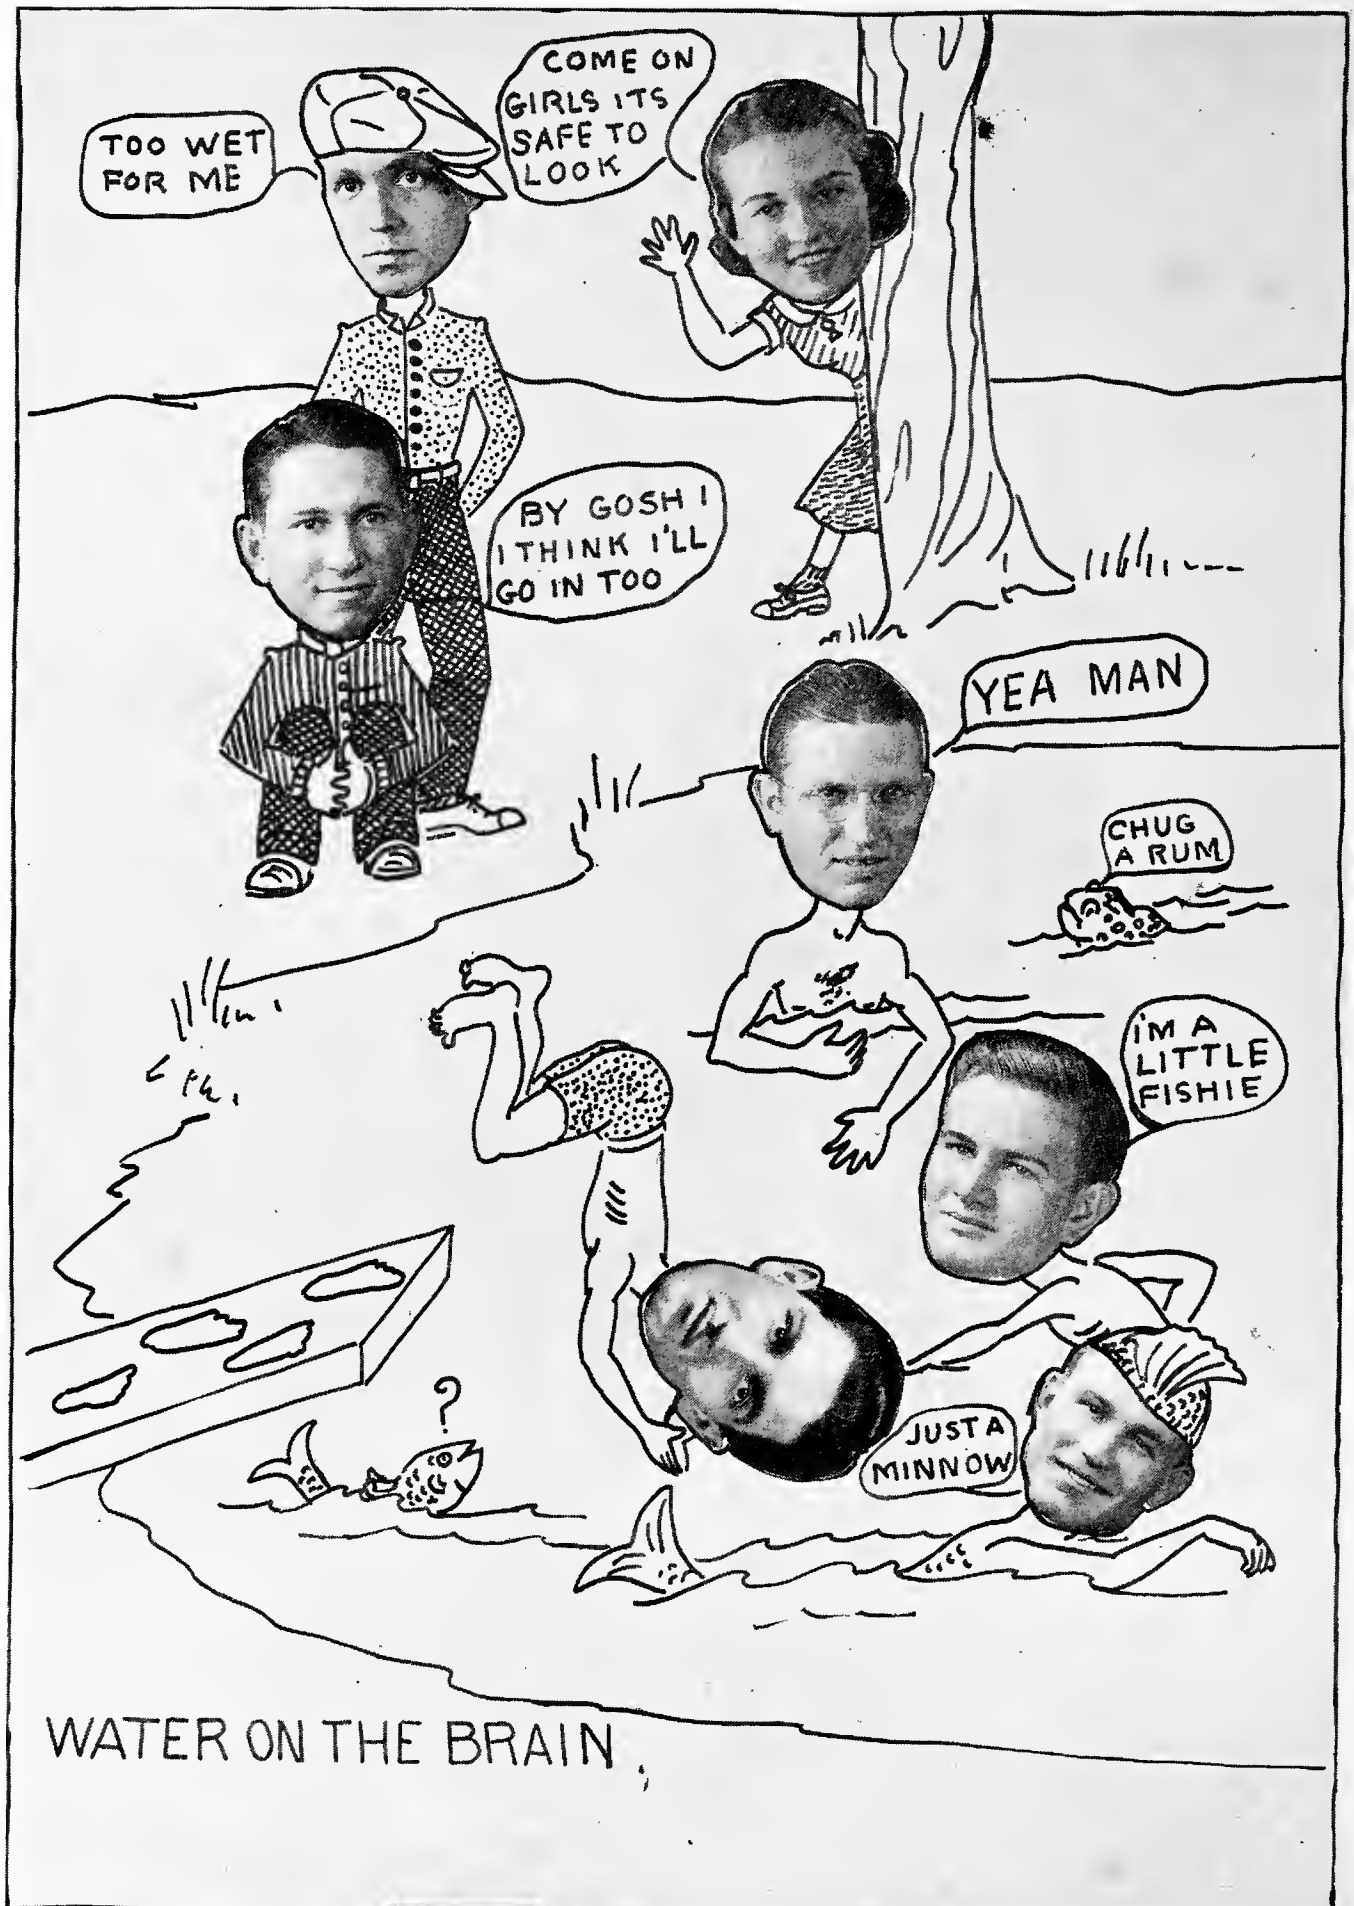

Elsie Giddens: "To love is peace, quiet, and tranquility."
Cleve O'Toole: "That's not love, that's sleep."

Soupy Mize: "You're just in time to settle an argument, Haskell. What is proper dress for a man who follows the horses?"
Haskell Archer: "A white uniform, isn't it?"

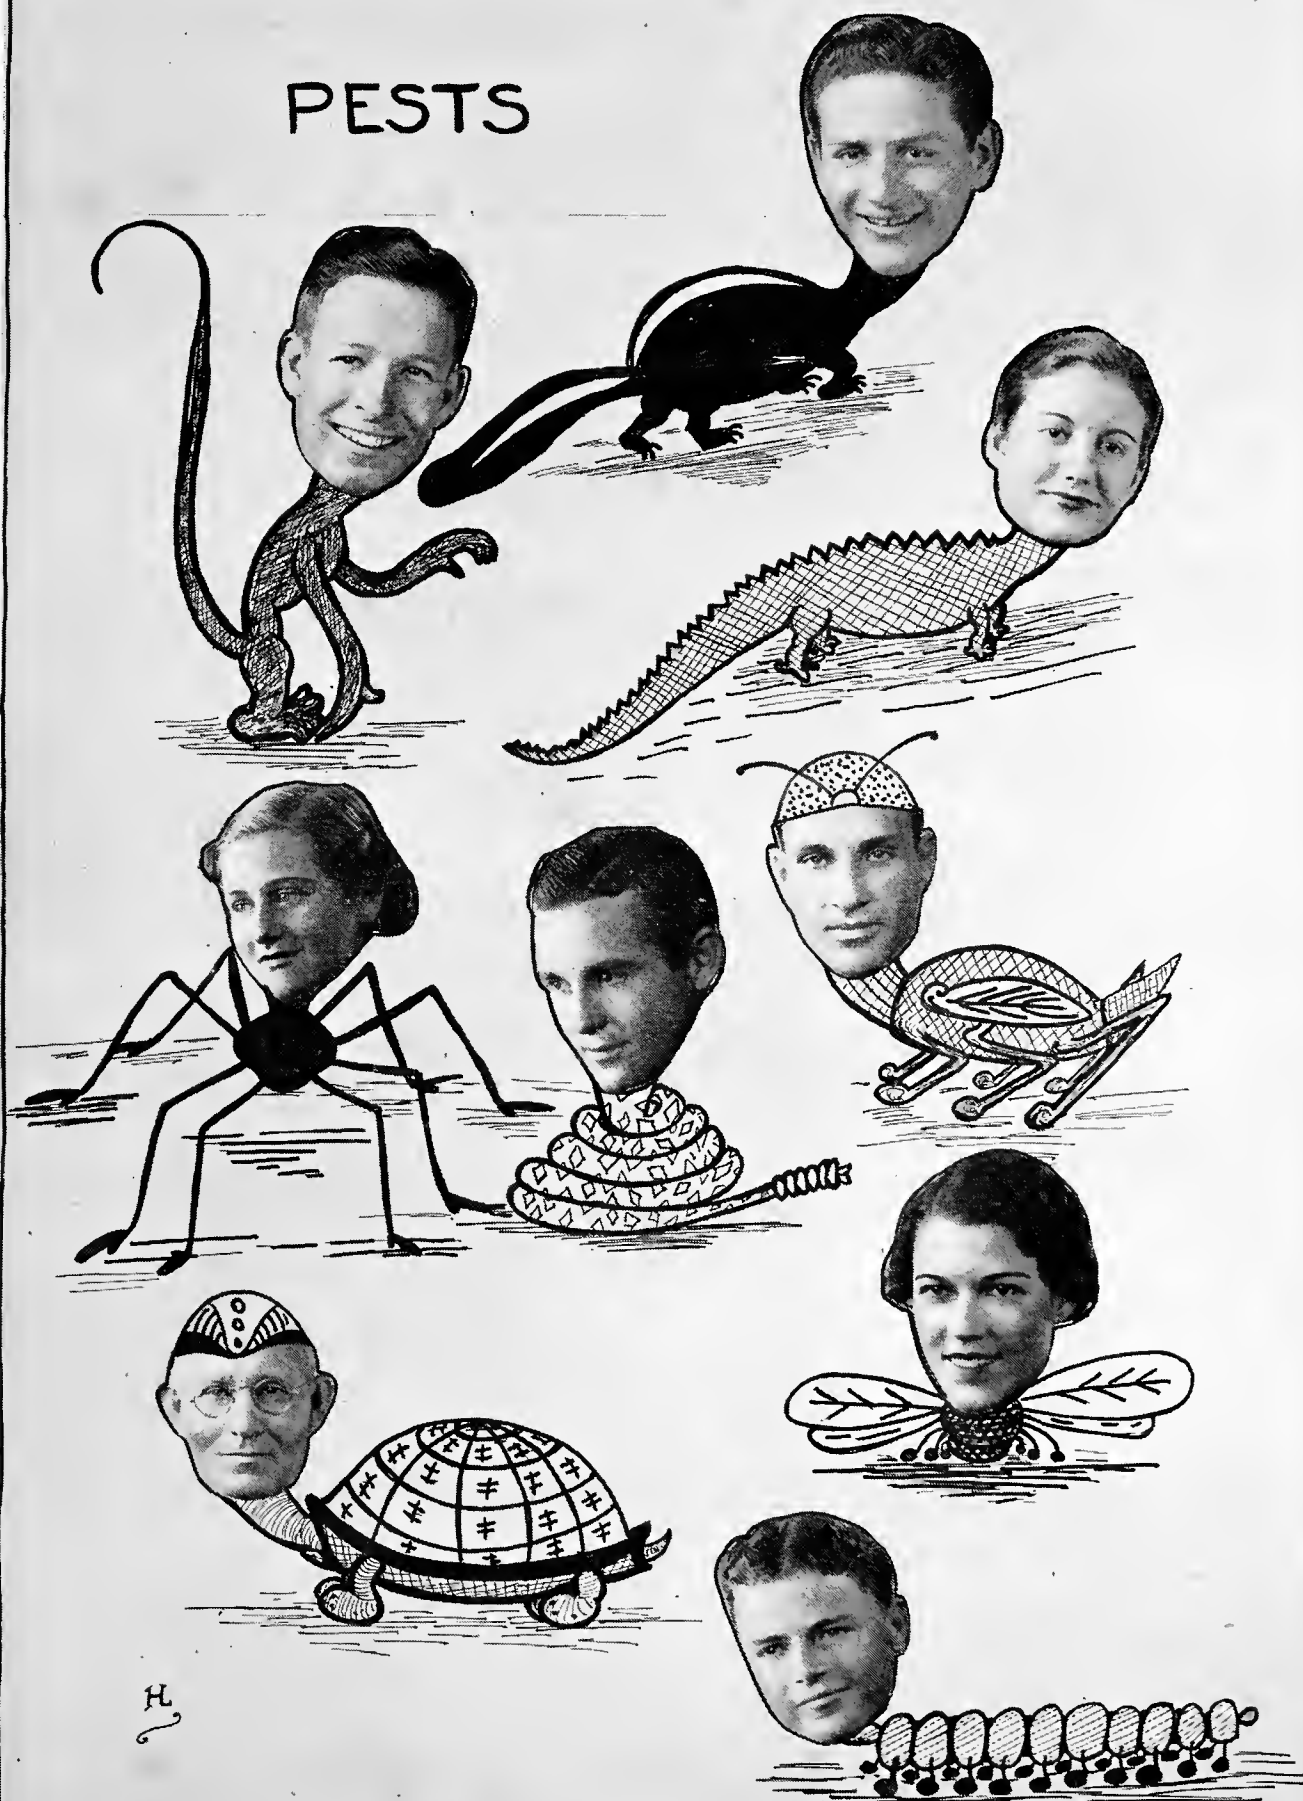

Una White: "Why didn't you find out his name when Mr. Etheridge called the roll?"

Inez Waid: "How could I when he answered "present" for four people?"

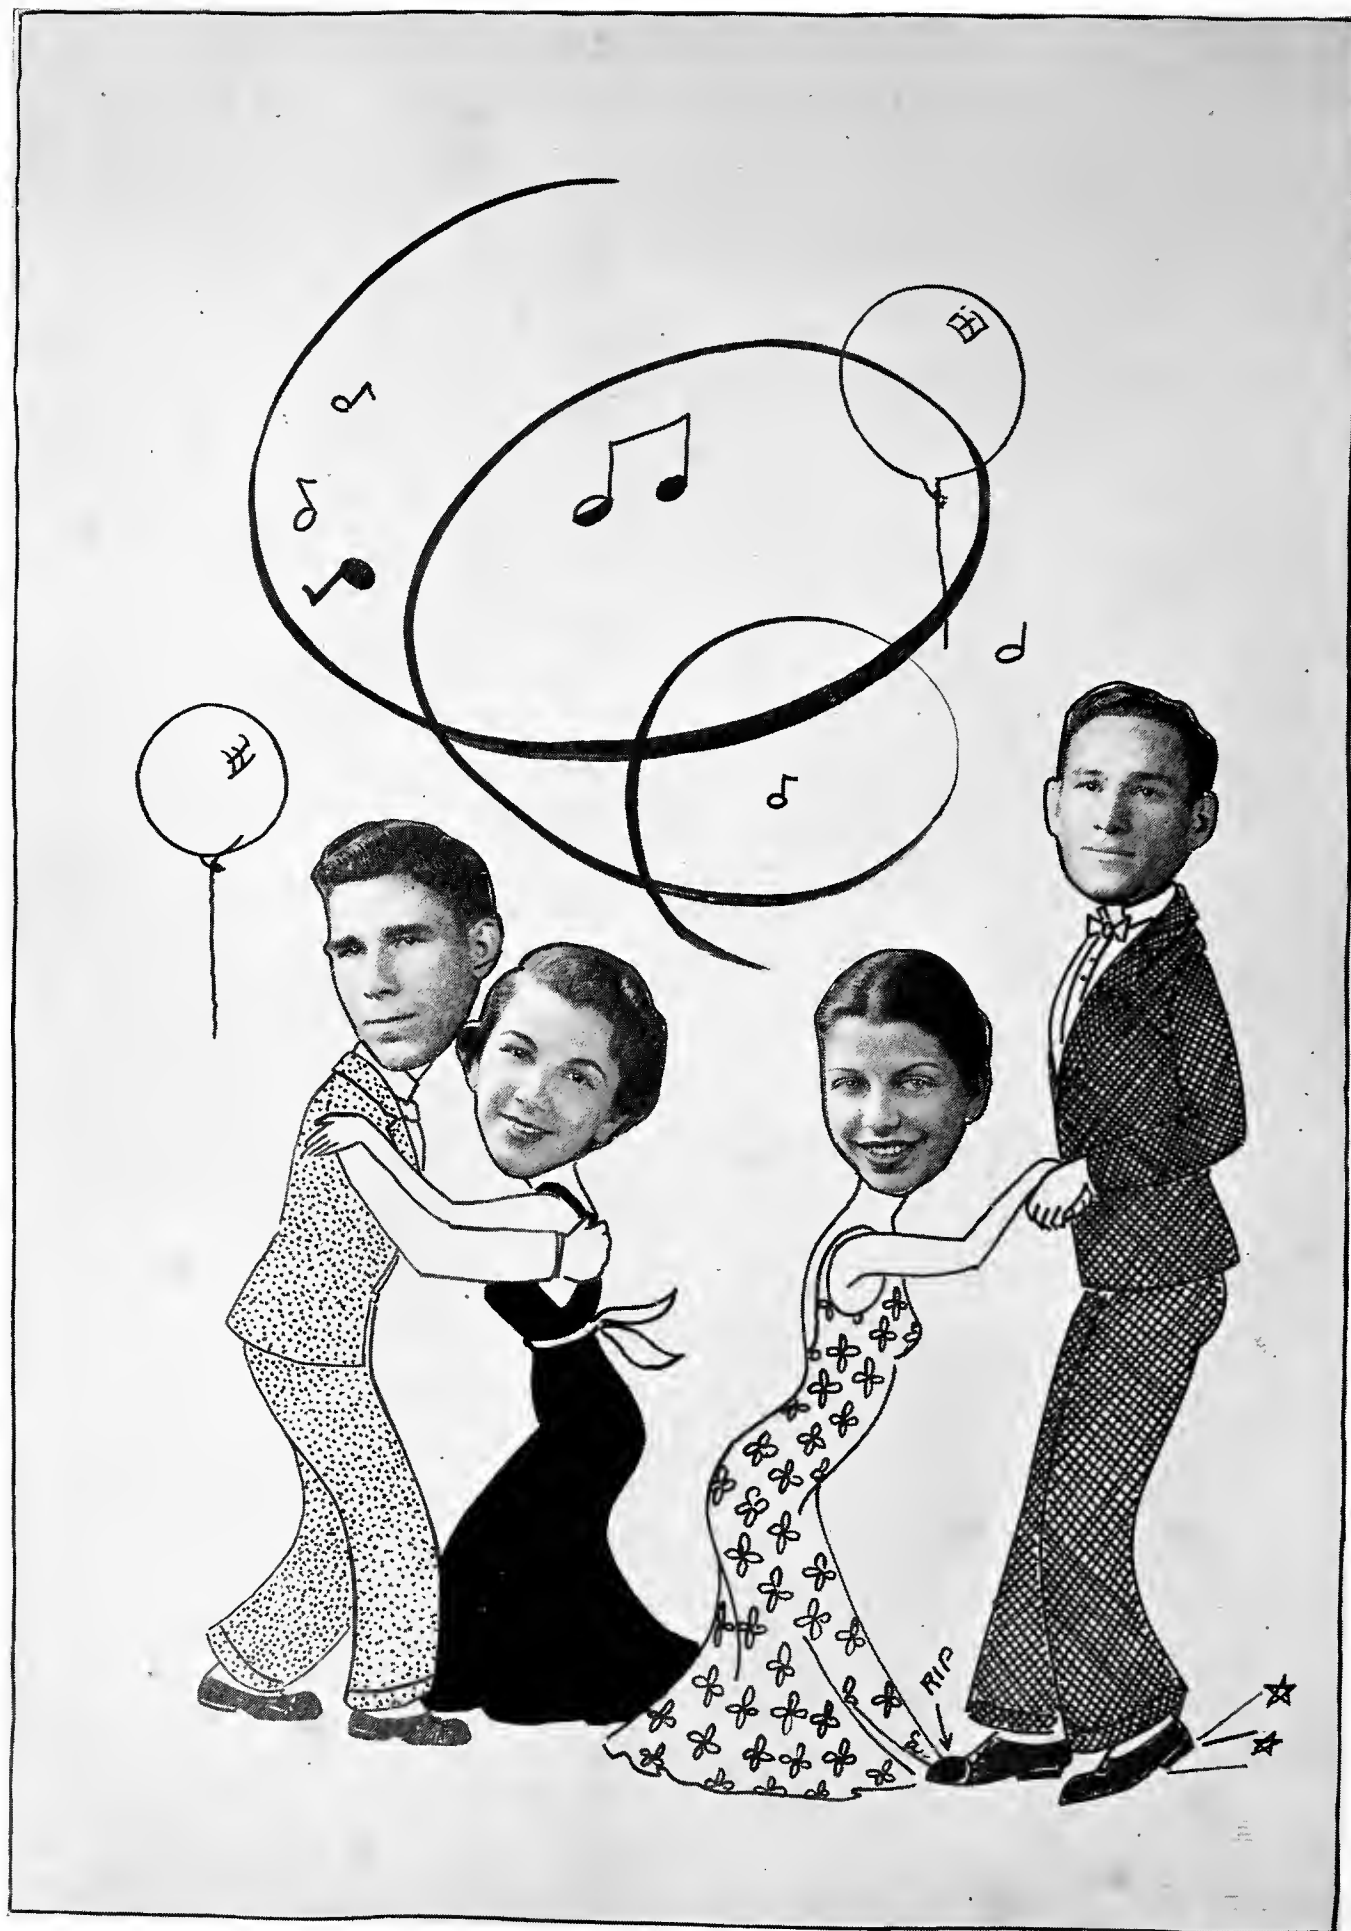

Johnnie Puckett: "Didn't I see some fellows kissing you last night?"
Hazel Skinner: "No, darling, he's just a kiss proof lipstick salesman who was giving me a free demonstration."

HINTS TO THE FRESHMAN GIRL ON HOW TO ACT ON A DATE

Don't ask him what he thinks of your roommate. He probably has his own ideas on the subject and doesn't want to defame a girl's character anyhow.

Don't tell him that the girls at the house don't understand you. He doesn't either, and doesn't care.

Don't tell him about the good time he missed by not going to the Open House. He had a better time somewhere else.

Don't make cracks about his driving. Remember, he isn't driving because he wants to.

PROFESSOR LINDSEY RECITES

I once did use m'bwain,
I was a car conductaw;
But now I need no bwain,
I am a young instructow.

Fuste, from dorm window: "Say ice man, do you have the time?"

Ice Man: "Sure, but who's gonna hold the horses?"

"I shall now demonstrate what I have in mind," said Dr. Warner as he erased the board.

Jim Di Iario says his girl is not much of a dancer but she sure can intermission.

In a dark corner of the Men's Gym, Scotty and Beryl were gliding to the sincords of David Anthony's jam band.

"Scotty," she whispered, "yuh dance so swell all of a sudden. Yuh're so light on yuh feet I hardly recognize yuh."

"Well," chirped Scotty, "I thot I'd dinda wear a pair of socks cos the floor gets splinters in muh toes—and darned if it ain't smoothing up my cloggin."

Joe Harris: "Did you hear about R. L? He drank some sulphuric acid by mistake."

Mr. Farrington: "Hurt him?"

Joe H.: "No, he said the only thing he noticed was that he made holes in his handkerchief every time he blew his nose."

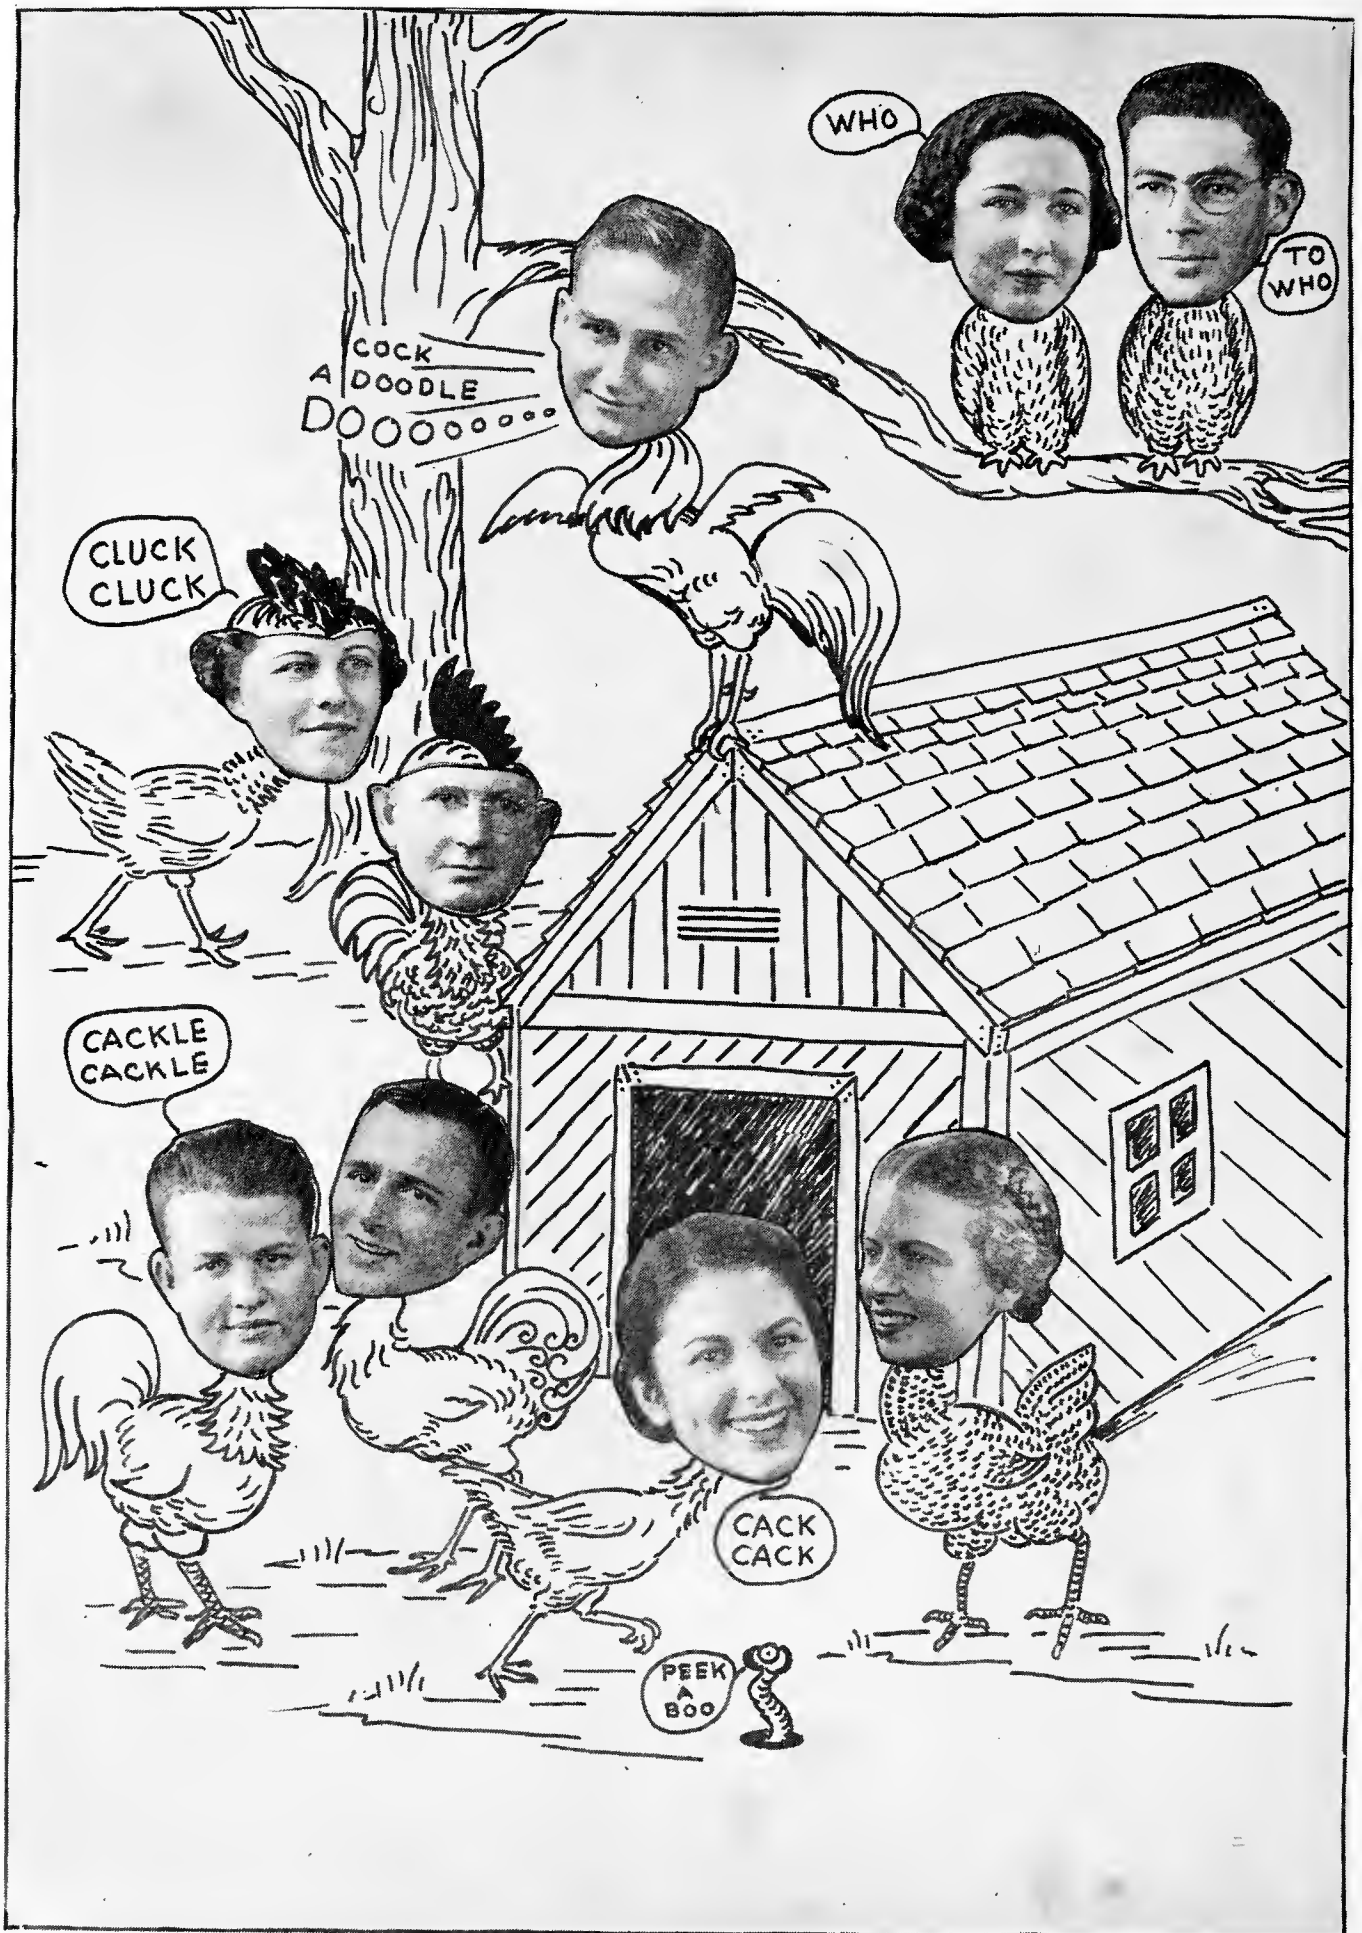

Elizabeth Ann Amsler: "Your dress is too short."

Carolyn Vincent: "I don't think so."

E. A. A.: "Then you must be in it it too far."

A kiss is a peculiar proposition. Of no use to one, yet absolute bliss to two. The small boy gets it for nothing, the young man has to lie for it, and the old man has to buy it. The baby's right, the lover's privilege and the hypocrite's mask. To a young girl, faith; to a married woman, hope; and to an old maid, charity.

Mr. Longino went into a shop to buy a jar. Seeing one was upside down he exclaimed, "How absurd! This jar has no mouth!" Turning it over he was once more astonished. "Why the bottom's gone, too!" he ejaculated.

SOME THINGS WE'D LIKE TO SEE INAUGURATED AT SAM HOUSTON

Cots installed in class rooms so that students can sleep more comfortably.
A trolley from the Main Building to the Library.
Shep Field's Orchestra to play for all "Open Houses."
A student body that would resent things the administration imposes upon them.
Major Bowes to replace Major Thomas in Chapel Fridays.
Free Coca-Colas served during classes to benefit those students who are unable to obtain cots.

Kendrick Menefee: "Why do you make that gurgling noise?"
Woermann Gibson: "I'm trying to swallow that line you're throwing."

—————○—————

Billy Jo Burns: "Hello! I haven't seen you for twenty years. Where've you been?"
Glen Mae Woodall: "Oh, I saw two O'Neill plays and read 'Gone With the Wind.'"

Bill Olbrich: "Name a great time saver."
Jack Clark: "Love at first sight."

FISH BARFIELD'S SOLILOQUY

To go to bed, or not to go to bed,—that is the question;
Whether it is more practical in the mind to suffer
The rams and bull ring of outraged Sophomores
Or submit to persecution
And allow reason to rule desire. To go to bed—to sleep—
Once more; and by a sleep to say we end
The tradition and the thousand petty duties
That a Fish is heir to, 'tis a consummation
Devoutly to be wish'd. To go to bed, to sleep—
To sleep! Perchance to dream! Ay, but there's a rub
For in that sleep of dreams what Soph may come,
And stick his head into my door, seeing me asleep
Must give me pause: there's the respect
That makes calamity of such a life.

Katherine Ball: "The man I marry shall be my intellectual equal."
Clyde White: "Why marry a moron when you can get something better?"

Alvis Bolton: "The horn on your car must be broken."
Brooks Holleman: "No, it's just indifferent."
Alvis Bolton: "Indifferent! What do you mean?"
Brooks Holleman: "It just don't give a hoot."

Iane Litherland: "Where's Dopey?"
Dolores Fuste: "He's over eating at the Dormitory."
Jane: "Who ever heard of anybody overeating at the Dorm?"

Clarence Thomas: "Did you keep the date with your girl last night in all that rain?"
John Marion Weatherall: "Naw, I waited for her two hours, and she didn't come, so I stood her up."

Opal Runnels version of a certain poem:
I think that I shall never see
A "D" as lovely as a "B"—
A "B" whose rounded form is pressed
Upon the records of the blessed.
A "D" comes easily—and yet
It isn't easy to forget;
"D's" are made by fools like me,
But only God could make a "B".

Vivian Crawford: "Waiter, what's this?"
Waiter: "It's bean soup, mam."
Vivian: "I don't care what it has been, the question is, what is it now?"

AN IDEA

EXPERIENCE

REALITY

IDEAS, born in the minds of yearbook staff members, can become REALITIES within the pages of a finished book only through the competent guidance of those who have EXPERIENCE in the field of yearbook production. Realizing this fact, editors and managers of college and high school annuals have been, for more than a quarter of a century, employing, and profiting by, the experienced service, distinctive art creations and "PRINT TESTED PLATES" offered by SOUTHWESTERN ENGRAVING COMPANY.

SWECO EXPERIENCE assures your IDEAS of becoming REALITIES even greater than anticipated.
